

Registered Repair Shops HAMPDEN

This list contains the name of every registered auto body repair shop in your county as regulated by the Automobile Insurance Bureau of Massachusetts. Massachusetts law requires that all repair shops be registered. An insurance company cannot pay for any repair work done by an illegal unregistered shop. Norfolk & Dedham referral shops are identified on the list by bold type with an asterisk. Please refer to our Direct Payment Plan cover letter and Repair Certification Form which spells out your rights and duties under our Direct Payment Plan. We will give you the list of registered repair shops in other counties at your request
