

Poultry Farmowners **Complete Insurance Coverage for your Poultry Farm Property**

Farmowners coverage from The N&D® Group protects your farm from many perils faced by today's Poultry Grower. We offer coverages tailored specifically to meet the needs of Arkansas and Missouri Poultry Growers.

A farmowners policy from The N&D Group includes but is not limited to:

- Poultry Houses—The structures housing your chickens or turkeys, including collapse for eligible buildings.
- Equipment—Tractors, generators, and other farm tools and equipment, including off-premises coverage.
- Dwellings—Coverage for your dwelling or home and personal property located on your farm property.
- Other Structures—Barns, equipment sheds, generator sheds, litter sheds, and workshops.
- Loss of Income (Flock-Loss Income Coverage)—Optional coverage if mechanical breakdown or other covered cause of loss results in loss of income due to loss of flock.

Like you, N&D® is a local business. We serve the community through our network of the highest quality independent agents. To learn how our portfolio of commercial insurance solutions can work for you, contact your local agent today. For a list of N&D agents, visit ndgroup.com.
